Believe In

Skwib

(Ahahaha! Ahahaha! Ahahaha!)
You always find me (you always find me) makin' time for you,
So many dreams to come true!
No room for failure, we can't be fooled.
Take a look at (take a look at) what we've got:
Each other for one another,
Friends to the end.
Here we go!
We stand together through these hard times.
Don't let these days pass you on by.
I believe in, you better believe that
I believe in you. (You! You!) Oh (Oh!) yea!
(Ahahaha! Ahahaha!)
(Ahahaha! Ahahaha!)
(Ahahaha! Ahahaha! Ahahaha! Ahahaha!)
So now you look at me, while I'm lookin' at you.
I think to myself: I'm watchin' out for you!
Let's take a chance together never had before!
When I think about (When I think about you) thinkin' of you,
It feels like there's nothing else to do.
We took a chance together,
Here we go!
We stand together through these hard times.
Don't let these days pass you on by.
I believe in, you better believe that
I believe in you. (You! You!) Oh (Oh!)
I know that (Ah!)
You want it all!
(Oh!)
(Oh!)
We stand together through these hard times.
Don't let these days pass you on by.
I believe in, you better believe that
I believe in you. (You! You!) Oh (You!)I believe in, you better believe that (believe it's true!)I believe in you.
(Oh!) Oh (Oh!) yea!
(Oh yea!)
(Oh!)
