Hero By Death

Anvil

When you think of all the great people that have died
The things they did, the way they lived their lives
Many have gone without knowing their fame
We are the ones that are left to blameExamples of man's stupidity
Endless lessons in humility
Why do we wait till they're gone and dead?
We martyr their soul as the good book saysHero by death
Hero by death
Hero by deathWe shouldn't wait until tomorrow
Hail the greatness of today
We shouldn't wait for times of sorrow
Belated praiseGreatness of today
Greatness of today
Greatness of todayI never wait until tomorrow
I love the greatness of today
I never wait for times of sorrow
Listen what I sayWhen you think of all the great people that have died
The things they did, the way they lived their lives
Courage, honour and dignity
Leaving a mark in society
