Get Away

Westlife

Oooh oooh oooh
Ooh ooh ooh ooh
Oooh oooh oooh
Ooh ooh ooh ooh
I can?t believe it happened to us
Tell me how did we got lost in it all
Maybe we could do with a change
And get back to yesterday
So pack your bags and sleep tight
Cause tomorrow babe, we?re gonna make it alright
It?s gonna be alright, let?s go!
Gotta get away somehow now
Gotta find a way out of town
Gonna run away, there?s no[t a thread of doubt?
Gonna get away now
Anywhere you want, I don?t care
Just as long as you are there
All I know is that we can't stay another day
Gotta get away now
Oooh oooh oooh
Gotta get away now
So call work and tell 'em you?re done
Change your voicemail to 'I?m not home now'
A few days it doesn?t have to be long
Just enough to get some space now
So pack your bags and sleep tight

Cause tomorrow babe, it?s you and me time
It?s gonna be alright, let?s go!
Gotta get away somehow now
Gotta find a way out of town
Gonna run away, there?s no thread of doubt
Gonna get away now
Anywhere you want, I don?t care
Just as long as you are there
All I know is that we can't stay another day
Gotta get away now
We can sit, we can talk
We can make love for hours

Don?t have to worry about any little thing at all now no
You?re mine, I?m yours
So let?s go
Gotta get away somehow now
Gotta find a way out of town
Gonna run away, there?s no thread of doubt
Gonna get away now
Anywhere you want, I don?t care
Just as long as you are there
All I know is that we can't stay
Gotta get away, gotta get away, gotta get away
Gotta get away, gonna run away, gonna run away
Anywhere you want, I don?t care
Just as long as you are there
All I know is that we can't stay another day
Gotta get away now
