

You Are Everything (BJ's Junior Vasquez Edit)

Vanessa Williams

You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything, everything is you Today I saw somebody
Who looked just like you
He walked like you do
I thought it was you
As he turned the corner
I called out your name
I felt so ashamed
When it wasn't you
Wasn't you You are everything
And everything is you
You are everything
And everything is you
Oh you are everything
And everything is you
Everything is you How can I forget
When each face that I see
Brings back memories
Of being with you
I just can't go on
Living life as I do
Comparing each man with you
Knowing they just won't do
They're not you Oh you are everything
And everything is you
Oh, you are everything
And everything is you
Oh, you are everything
And everything is you
Everything is you You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything, everything is you You are everything
And everything is you
Oh, you are everything
And everything is you
Oh you are everything
And everything is you
Everything is you You are, you are, everything, everything, oh

You are, you are, everything, everything, oh
You are, you are, everything, everything, everything is you
