One Call Away

Chingy

Ooh, yea yea
DTP, how we do
Call you and you can call me
Whatever you wanna do baby
(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
It was weird how we met, huh
She was wit her mom in Bank America
I'm wit my son cashin' the check
So I asked outta respect
Would she like to explore the world or buy ?
We can fly in my jet
Her reply was "Yes, can I ask you sumpin?"
I seen it in her eye, mama lookin' like all I wanted was sex
Scene moved to the next that is true but it was something
About this girl's style that make me feel no regrets
We started off casual walks through the park
Candle light dinners by dark, I'm thinkin' smart
Afraid she might think I'm in a rush
To touch, clutch and be up, but baby I ain't on that stuff
Dropped her off and told her call me up, we can talk
Conversate about political subjects whatever's thought
So I zoomed off, lookin' by and my phone rang
It was her in the shower she said, "I couldn't do without ya"
Then I said

(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
The next day I'm with the fellas at the cage playin' ball
Here she comes wit her friends they posted up on the wall
Now I'm showin' off, tryin' a dunk tryin'a dribble break fast
Through the middle just to see her smile and giggle
Game over I approached her wit a kiss on the cheek
The homeboys lookin' at me sayin', "Lil' Howard you weak"
But you know how that go, what I got they want
What I got I flaunt, never mess wit it, please don't
Told her "I'm going home" she asked, "Can she go too"?
I'm like "Yeah boo, I can't see me without you"
Got thurr, I took a shower jumped out she in the bed
With a see-through thong said I looked at her and said
(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
Girl recognize game, before game recognize you

You're dealin' wit a player, true
Now whatchu wanna do?
We can kick it and go puff on a bluuunt
Oh you don't smoke? Grab a pint of Hen' then we can get drunk
It's up to you, I'm the man but baby just let me know
'Cuz if you got an attitude I could treat you just like a hoe
Get to rollin' wit me baby, hop in there's enough room
We can gaze at the stars that shine like the moon
Gimme a chance to show ya, and a chance to know ya
Just be true, and there's nothing I won't do, for ya
Some women like to play it foul
But them the kind I put in the place of a child
Don't worry be happy and smile and
(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
(You could roll wit me)
Give me a call if you wanna come roll with me
(If you was my baby)
I'm only one call away
(You could roll with me)
Give me a call if you wanna come roll with me
(If you was my lady)
I'm only one call away
