

Really Don't Care (Live From Honda Center)

Demi Lovato

You wanna play, you wanna stay, you wanna have it all
You started messing with my head until I hit a wall
Maybe I shoulda known, maybe I shoulda known
That you would walk, you would walk out the doorHey! Said we were done, you met someone and rubbed it in
my face
Cut to the punch, she broke your heart, and then she ran away
I guess you shoulda known, I guess you shoulda known
That I would talk, I would talkBut even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Oh oh oh I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Oh oh oh I really don't care
Oh oh oh I really don't careI can't believe I ever stayed up writing songs about you
You don't deserve to know the way I used to think about you
Oh no not anymore, oh no not anymore
You had your shot, had your shot, but you let goNow if we meet out on the street I wont be running scared
I'll walk right up to you and put one finger in the air
And make you understand, and make you understand
You had your chance, had your chanceBut even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Oh oh oh I really don't care
But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Oh oh oh I really don't care
Oh oh oh I really don't careYeah, listen up
Hey, hey never look back, dumb struck boy, ego intact
Look boy, why you so mad
Second gets in, but shoulda hit that
Hey Demi you picked the wrong lover
Shoulda picked that one is cuter than the other
I just wanna laugh, cause you tryna be a hipster
Kick it to the curb, take a polaroid pictureBut even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies

Oh oh oh I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Oh oh oh I really don't care
Oh oh oh I really don't care
