The Living Daylights

13

Hey driver, where we're going?
I swear my nerves are showing
Set your hopes up way too high
The living's in the way we dieComes the morning and the headlights fade away
Hundred thousand people, I'm the one they blame
I've been waiting long for one of us to say
Save the darkness, let it never fade awayAh, ah, the living daylights
Ah, ah, the living daylightsAll right, hold on tight now
It's down, down to the wire
Set your hopes way too high
The living's in the way we dieComes the morning and the headlights fade away
Hundred thousand changes, everything's the same
I've been waiting long for one of us to say
Save the darkness, let it never fade awayAh, ah, the living daylights
Ah, ah, the living daylights
Ah, ah, the living daylightsComes the morning and the headlights fade away
Hundred thousand people, I'm the one they frameAh, ah, the living daylights
Ah, ah, the living daylights
Ah, ah, the living daylightsSet your hopes up way too high
The living's in the way we die
