

# Don't Hurt Me No More

[Al Green](#)

My heart beats the pain  
Ohh, listen to me  
My tears won't flood away, ohh, yeah  
You look in my eyes, you will realize  
I've been hurting, being mistreated  
I'm a lonely fool, I've been cheated, baby, yeah  
Don't hurt me no more now  
Ooh, baby, baby, yeah, don't hurt me no more  
Will you [?]Ooh, never say goodbye  
Do you know that I'm on my knees?  
Girl, I'm cryin', need a lovin' hand  
My heart is hurtin', baby, yeah
