Idol (Hex Hector & Jonathan Peters Club Mix)

Amanda Ghost

I can see it, I can feel it
Rushing in my veins
I don't like it, I don't hide it
See it in my faceBut I....don't want, to wait...
For I....have lost, my faith....
Where can I find myself an idol
Somebody that I can look up toBe big enough to hold me close in their minds
And never let me down
And all these stupid conversations
That always seem to lead nowhereThey're going round and round and round in my head
And they'll be back again, they're coming back again
Its not fair, I still care now
Were always aloneHonesty and modesty will never find my home
But I... will never say....
When I ....have lost my way.....
Why can't I find myself an idolSomebody that I can look up to
Be big enough to hold me close in their minds
And never let me down
And all these stupid conversationsThat always seem to lead to nowhere
They're going round and round and round in my head
And they'll be back again, they're coming back again
Can't take it, can't take (don't throw it away)Can't take it, can't take it, their coming back again
Can't take it, can't take it (don't throw it away away away)
(Don't throw it away)
Can't take it, can't take it (don't throw it away away away away)
