

# Sunday Will Never Be The Same

## Spanky & Our Gang

I remember Sunday morning  
I would meet him at the park  
We'd walk together hand in hand  
Till it was almost dark  
Now I wake up Sunday morning  
Walk along the lane to find  
Nobody waiting for me  
Sunday's just another day Sunday will never be the same  
(Sunday will never be the same)  
I lost my baby's heart  
I must be back again Sunny afternoons that made me feel so warm inside  
Have turned as cold and gray as ashes  
As I feel the embers die  
No longer can I walk these paths for they have changed  
I must be home the sun is gone and I think it's gonna rain I remember children  
Feeding flocks of pigeons  
I remember sunshine and you were mine Sunday will never be the same Sunday will never be the same Sunday  
will never be the same
