HeÂ´s Gonna Step On You Again

John Kongos

Hey rainmaker come away
from that man you know
he's gonna take away your promised land.
Hey good ladyhe just want what you got
you know he'll never stop
until he's taken the lot.Gonna stamp out your firehe can change your desiredon't you know that he can make
you forget you're a man
gonna stamp out your firehe can change your desiredon't you know that he can make
you forget you're a manyou're a man. He's a man.
He's gonna step on you again.
He's gonna step on you again.
He's gonna step on you again.
He's gonna step on you again.Hey rainmaker he got golden plans
I tell you he make you
a stranger in your land.
Hey good ladyhe got God on his side
he got a double tongue
you never think that he lie.Gonna stamp out...
Hey rainmaker come away
from that man you know
he's gonna take away your promised land.
Hey good ladyhe got God on his side
he got a double tongue
you never think that he lie
