

Get It on Tonite (Re-Recorded)

Montell Jordan

When I'm looking at you I keep thinkin'
Why can't she be like you
So I'm scheming
I can't go through this believing that her love is true
Standing on the dance floor while she's trickin'
You are all I want girl she's a chicken
We might be together but love is missing
Girl I want you So what can we do? Girl if its all right
Lets go somewhere and get it on tonight
you shouldn't have to be alone tonight
Its one on one tonight, tonight Now she's lookin' at me, but keep talkin'
Oh, now she's tryin' to ice you, lets start walkin'
Over on the dance floor, it's her fault
But what can she do? Tell me baby Girl, If your ready
I'm ready
We can get it on
We can get it on
I know where I went wrong
She's where you went wrong
With you is where I belong Girl, if I could find the words to say
I've gotta get away, from a love
That kills me everyday, I'd gladly say to you Girl if its all right
Lets go somewhere and get it on tonight
you shouldn't have to be alone tonight
Its one on one tonight, tonight
