

# When She Cries

Luzer

The road I have traveled on  
Is paved with good intentions  
It's littered with broken dreams  
That never quite came true  
When all of my hopes were dying  
Her love kept me trying  
She does her best to hide  
The pain that she's been through  
When she cries at night  
And she doesn't think that I can hear her  
She tries to hide  
All the fear she feels inside  
So I pray this time  
I can be the man that she deserves  
'Cos I die a little each time  
When she cries  
She's always been there for me  
Whenever I've fallen  
When nobody else believes  
She'll be there by my side  
I don't know how she takes it  
Just once, I'd like to make it  
Then there'll be tears of joy  
That fill her lovin' eyes  
When she cries at night  
And she doesn't think that I can hear her  
She tries to hide  
All the fear she feels inside  
So I pray this time  
I can be the man that she deserves  
'Cos I die a little each time  
When she cries  
So I pray this time  
I can be the man that she deserves  
'Cos I die a little each time  
When she cries
