

# Enrapture

## Mortification

Look up as redemption is life  
The monarch now has arrived  
Immortal the forgiven shall be,  
Just a choice for all to see.Enrapture the return of the King  
Enrapture on that day we will be  
The thunder cracks the night of the sky  
Enrapture, caught up in the light.Seek out the words of the truth  
Find your way or the pain will be brutal  
Eternity without the light?  
3 score years and then we die!Eternity is a forever time  
Find your way to pursue the light  
Enrapture is where we want to be  
Just in submission, salvation receive!
