## Fidlar

Well I'm still alive  
And you are too  
I still can't get myself out of you  
Well I'll just get high  
And you are too  
I still can't get myself out of you

...

Well I'm still alive  
And you are too  
I can't get my knife out of you  
Well I'll just get high  
And you are too  
I still can't get my knife out of you

...

(scream)

Well you're still alive  
And I am too  
I still can't get my knife out of you
