

She Likes To Boogie Real Low (Frankie Lee Sims)

Johnny Winter

We went to a party but all we did was rock
Oh what a party, she really blowed her top
And then she
She likes to boogie real low I'm takin' my baby out to the picture show
But my baby don't wanna go there
She couldn't
She likes to boogie real low Yeah! Now tell me baby what are you gonna do
Yes I love you because you're nice and true
And you can
She likes to boogie real low But I love my baby, I love her all myself
I wouldn't mistreat her, not even for no one else
You know she
She likes to boogie real low She likes to boogie real low She likes to boogie real low
