Baby Be Brave

The Corrs

Maybe deep down inside, you don't believe it
Your wailing wall, it isn't weeping at all
And you're not worthy of adorationYou're scared that somebody some where's
Gonna find the burst pipe
And as fast as they bow down they'll leave you behindBut baby be brave 'cause what's the point of it all

What's the point of it all? Yeah

Baby don't blow it, tell me what's it all for

If you're not terrified to fail?

Are you terrified to fail? Way far down below you don't feel it

Yeah, everyone knows but we don't believe it

The pain of a pop star, you're breaking my heartBut baby be brave 'cause what's the point of it all

What's the point of it all? Yeah

Baby don't blow it, tell me what's it all for If you're not terrified to fail? Confide in me, tell your story It's your fear that makes you worthy I know what you're doing 'cause

God I've been tempted, you are

Drowning the special to immortalize the rise

And what's the point of it allBaby be brave 'cause what's the point of it all

What's the point of it all? Yeah

Baby don't blow it, tell me what's it all for

If you're not terrified to fail? Confide in me, tell your story

It's your fear that makes you worthy

Confide in me, tell your story

It's your fear that makes you worthy
