

# Summer Moved On (Radio Edit)

[a-ha](#)

Summer moved on and the way it goes, you can't tag along  
Honey moved out and the way it went leaves no doubt  
Moments will pass in the morning light I found out Seasons can't last and there's just one thing left to ask  
Stay, don't just walk away and leave me another day  
A day just like today with nobody else around Friendships move on until the day you can't get along  
Handshakes unfold and the way it goes no one knows  
Moments will pass in the morning light I found out Seasons can't last so there's just one thing left to ask  
Stay, don't just walk away and leave me another day  
A day just like today stay, don't just walk away with nobody else around
