

Pleased to Meat You

Gay Black Republican

Pleased to Meat you

Iâ€™m pleased to eat you
Glad to have you, for breakfast with my friends

Glad to taste you
Iâ€™m glad to touch you
Glad youâ€™re in my salad again

I learned a thing or two
From Jeffrey Dalmer
Iâ€™ve got a lesson to show
The local embalmer

Glad to own you
Glad to bone you
Glad to fuck you in my closet again

Glad to pickle you
Iâ€™m Glad to jar you
Glad your headâ€™s in the fridge by my cigs

I learned a thing or two
From Jeffrey Dalmer
Iâ€™ve got a lesson to show
The local embalmer

Pleased to Meat you
Iâ€™m pleased to eat you
Glad to have you, for breakfast with my friends

Glad to taste you
Iâ€™m glad to touch you
Glad youâ€™re in my salad again

I learned a thing or two
From Jeffrey Dalmer
Iâ€™ve got a lesson to show
The local embalmer
