

Guns for Hire

AC/DC

The word is out that I'm about
And I've come gunnin' for you
I'm a real entertainer, a mischief maker
Lover of no fixed abode
Quick draw on the floor, ????
Sweet talk lover of sin
You want to get, you get what you want
Look out woman I got
Guns for hire
Shoot you with desire
I'm a wanted poster, a needed man
????
I'm a smooth operator, a big dictator
????
Guns for hire
Shoot you with desire
Quick draw on the floor, big shot
???? big shot, take a lot
????
I'm a real entertainer, a mischief maker
????
Guns for hire
Shoot you with desire
