

# Could I

Slade

Your only try at love was through before it began  
So now you're frightened of the thought of losing again  
Would I be true to you; girl, if there's any doubt  
Just ask me anything your mind is wondering about

[CHORUS:]

Could I chase the bitter taste  
Left in your heart by someone who said goodbye  
Could I love? Give me love  
I'm down on my knees, beggin' you please, Could I?

If I could get to you & prove the things that I say  
You wouldn't compare me to the pain you knew yesterday  
You've built a wall of ice I'm sure my lovin' will melt  
Please let me hold you, love, instead of asking yourself

(repeat chorus & fade)
