

In Chains

AN ACT OF TREACHERY

The way you move
Has got me yearning
The way you move
Has left me burningI know you know what you're doing to me
I know my hands will never be free
I know what it's like to be in chainsThe way you move
Is meant to haunt me
The way you move
To tempt and taunt meI know you knew on the day you were born
I know somehow I should've been warned
I know I walk every midnight to dawn in chainsIn chains, I'm in chains
In chains, I'm in chainsYou've got me dying for you
It's you that I'm living through
You've got me praying to you
Saying to you anything you want me toYou've got me reaching for you
My soul's beseeching me too
You've got me singing to you
Bringing to you anything you ask me toThe way you move
Is mesmerizing
The way you move
Is hypnotizingI know I crumble when you are around
Start to mumble a bit of a false sound
Straggle, stumble, shackled and bound in chainsIn chains, I'm in chains
In chains, I'm in chainsYou've got me dying for you
It's you that I'm living through
You've got me praying to you
Saying to you anything you want me toYou've got me reaching for you
My soul's beseeching me too
You've got me singing to you
Bringing to you anything you ask me toI'm in chains
In chains, I'm in chains
In chains, I'm in chains
In chains, I'm in chains
