

# V.i.p.

## Iggy Pop

I'm a Very Important Person  
I park in the V.I.P  
And when I go to the bathroom,  
i go in the V.I.P toilet  
And when I wanna change a lightbulb,  
I don't do it myself... Oooohhh no...  
I have a technician  
Cause I'm a V.I.P  
I'm a V.I.P  
I'm a V.I.P  
I'm a V.I.P  
Now, as I began to become a V.I.P,  
i forgot what i've become a V.I.P for  
I began to grow accustomed to people saying  
"Right this way sir...drinks are on the house..."  
Flight attendants on airplanes saying :  
"Please...Really, I don't wanna bother you sir, but it's such a pleasure to have you on board.  
May I have your autograph for my daughter ?"  
"Yeah baby right after I go to the toilet  
I i'll give you a couple of'em  
Cause i'm a V.I.P!"  
Now,one thing about V.I.P is,is they never seem to be alone  
Ooooh no !  
The "true" V.I.P must travel with an entourage !  
People who say "Right on boss"  
Cause it's a V.I.P!  
Right on boss  
I'm a V.I.P!  
As i began to realise that i had gained V.I.P status,  
worries began to creep in  
What if one day,i woke up,and i was no longer a V.I.P ?  
No more good tables at the restaurants...  
No more strange women smiling and approaching me on the streets...  
No more top notch booty  
No more entourage to say "Right boss"  
I began to have nightmares  
And in my nightmares, I was just a fucking nobody.  
Laying at the beach, imagining myself being a VIP !  
Just like i was before...

Hearing the applause in my head

Beautiful warm embraces of superior members of the female gender...

V.I.P

V.I.P

Of course, when one becomes a V.I.P,

One meets other V.I.Ps

At social occasions...

And one inevitably thinks :

"thck ! How shallow and crass these people are !

They're not down to earth and real like me...

Oooohhh no ! I'm a very special V.I.P"

Another interesting phenomenon, associated with V.I.P celebrityhood, is the "V.I.P reflection effect", during which anyone associated with the V.I.P, becomes a sort of V.I.P in their own right ! Such as "son OF the V.I.P",

"guitar player FOR the V.I.P",

"girlfriend WITH the V.I.P",

"accountants of the V.I.P"

The maid, the dog, the music publisher ...huh !

All enjoy a sort of 'reflected glory', as in..

"Hi this is Nastea

I work for Iggy

And i'd like 6 tables tonight in the V.I.P section

And he needs passes for everyone

And free drinks of course

In the V.I.P area"

Right on boss

Cause i'm a V.I.P.

It's also true that when one is a V.I.P, everybody's happy to see you... All the time !

And there's an implicit rule that a V.I.P must never- never

Be on a barn.

Cause everybody expects YOU to make their day

And they're all be on to you if you're in a bad mood.

They will "thck!tchk!tchk ! mur mur mur mur!",

And you will find yourself with the wrong kind of attention:

A "difficult" V.I.P.

Psychologists tell us that a sense of self-esteem

Is so necessary in today's world.

As a V.I.P, I can guarantee you, you'll never be alone.

You'll never be alone.

Cause you're a V.I.P!
