## **Cryin**

## **Aerosmith**

There was a time When I was brokenhearted Love wasn't much of a friend of mine The tables have turned - yeah 'Cause me and them ways have parted That kinda love was the killin' kind All I want is someone I can't resist I know - all I - need to know By the way I got kissed I was cryin' when I met you Now I'm tryin' to forget you Your love is sweet misery I was cryin' just to get you Now I'm dryin' 'cause I let you Do what you do down on me Now there's not even breathing room Between pleasure and pain Yeah you cry when we're makin' love Must be one and the same It's down on me Yeah, I got to tell you one thing It's been on my mind, girl I gotta say We're partners in crime You got that certain something What you do to me takes my breath away Now the word out on the street Is the devil's in your kiss If our love goes up in flames That's a fire I can't resist I was cryin' when I met you Now I'm tryin' to forget you Your love is sweet misery I was cryin' just to get you Now I'm dyin' 'cause I let you Do what you do to me 'Cause what you got inside Ain't where your love should stay Yeah, our love, sweet love, ain't love 'Til you give your heart away

I was cryin' when I met you Now I'm tryin' to forget you Your love is sweet misery I was cryin' just to get you Now I'm dyin' just to let you Do what you do, what you do down on me Baby, baby, baby I was cryin' when I met you Now I'm tryin' to forget you Your love is sweet misery I was cryin' when I met you Now I'm dyin' 'cause I let you Do what you do down to, down to, down to I was cryin' when I met you Now I'm tryin' to forget you Your love is sweet misery
