My Lady

The Rambling Wheels

It's simple you see I want you for me
But not for ever, that's just a dream
That I've given up a long time ago
It's a fairy tale that I just don't believeI'm not a prince, I'm just a man
Who wants to have you just for one night
So forgive me for being direct and blunt
It's the truth straight from my heartOh, my Lady I will love you
For as long as we are together
I can make you no promises
That's just impossible
Cause for me that's a prison with chains and I have to be free
Like a lion that can't be tamed
Not to be trusted when put in a cage
And I know you won't believe
You still think you can tame the beast
But I know you can't, cause you are not the oneI'm not a dog, I know who I am
Not saying that I'm an angel, but I'm not that bad
I made myself clear from the beginning
It's not my fault that you didn't hearYou think I'm a pig but I beg to differ
I've got friends that make me look like a saint
And it's true I've sinned, but no more than the rest
And I hope the judge agrees
And you think I am the one
But you won't capture me
No I can't change who I am
Cause you're not the one
