

Sittin' On 23z

Tha Dogg Pound

Got a, got a blunt that I'm smokin', weighin' mo' than 8 grams
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Yeah, when you see me ridin' just realize it's not a game
It's just me and the homies sittin' on them chrome thangs
24's, 25's, 26's, Pirellis on deep dishes scrapin' out on you bitches, look
Don't trip, player, hittin' niggaz 'cross the head
Or maybe I should just slap your bitch instead
From the G's to the Vogues to the hundred spoke gold
My nigga, Dogg Pound gangstaz fo' sho', my nigga
C'mon and light it up, blaze it blaze it blaze it up
Sittin' real high my nigga come and raise it up
Shine hard like the diamonds on my neck
Maserati, Corvette, love the way that it sit 'cause I'm
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Just pulled up at the stoplight high
On cool, pullin' up to the stoplight high
Trippin', look who pulled up on the side
My nigga, D A to the Z is on the ride
Fresh paint, 6 coats of clear, your boy glossy on 'em
I'm drippin' wet, leavin' stains when I hit the corner
Oh-six, digital up, I'm futuristic

Look at that nigga Daz and Kuruapt, them boys glistenin'
I'm rollin' in an' rollin' up weed at the same time
Pimpin' through the streets in the daytime
It ain't nuttin' but a G thang
I got my biscuits on, pimpin' in three lanes
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
We get swizzy on a bizzy pimpin' through the strizzeets
And everywhere we gizzo we keep that hizzy
Got my grand national international
Dogg Pound international, fuck thinkin' rational
I'ma scrape the curb and hit donuts
I get to burnin' mo' rubber when that nigga show up
Impala Regal, Alco's, 84's with elbows
Lean low, burn rubber, hit the gas, go slow
Little mama wanna take a ride in my Southside
Monte Carlo with the aqua blue outside
Old school, new school, chrome shoes, ooh
Put it in drive and everything gets cool 'cause I'm
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
Sittin' on 23's, sittin' on, sittin' on 23's
S-sittin' on 23's, sittin' on, sittin' on 23's
Wheelin', wheelin' hundred spokes, wheelin', wheelin' hundred spokes
Got a blunt that I'm smokin', weighin' mo' than 8 grams
