Speed Dial No.2

Zero 7

I don't need you anymore
I'm okay and I am sure
I don't need you anymore
Yeah, I'm okay, I'm reassured
And I don't need you, not today
I promise I'll call, I promise I'll say
I don't need you, not to stay
And if you ever need me I'll reciprocate
Your shoulders in my pocket
Speed dial no. 2
See you when I need you
See you when I do, see you when I do
Do you need me, I am here
Can you ask? Can you be clear?
Yes you need me, I appear
Now you are me, I am here
My shoulders in your pocket
Speed dial no. 2
Call it when you need me
See you when I do, see you when I do
Call me when you need me
Just call me when you need me
Call me when you need me
See you when I do
