

# **Sun To Me (Alex M.O.R.P.H. Remix)**

## **Faithless**

So in in future lifetimes,  
It's a certainty  
That we'll again  
Fit together perfectlySo in in future lifetimes,  
It's a certainty  
That we'll again  
Fit together perfectlyYou're the sun to me  
You're the sun to meI stumbled into you,  
Accidentally  
And yet,  
Feels as though you were  
Sent to me  
That we were meant to be  
Together and grow with  
Each other  
Through the centuriesIf my body was your mirror  
You'd be able to see  
Exactly,  
What it is about you  
That I'm addicted to  
Helplessly you distract me  
Like a mountain view of  
Rivers crashing into the sea  
Strangely,  
You all seem familiar to me  
Would so, love tie us  
Together through eternity  
So in future lifetimes,  
It's a certainty  
We will again  
Fit together perfectlyYou're the sun to me  
You're the sun to meSo in future lifetimes,  
It's a certainty  
We will again  
Fit together perfectlyYou're the sun to me

You're the sun to meIf my body was your mirror

You'd be able to see

Exactly,

What it is about you

That makes me shiver,

You give me a soul fever

And I achieve

A new lever of greaterSo in future lifetimes,

It's a certainty

We will again

Fit together perfectly

Perfectly

Perfectly

Perfectly

Perfectly

PerfectlyYou're the sun to me

You're the sun to meWe do it so fervently

We do it so fervently

With your urgency

We do it so ferventlyYou're the sun to me

You're the sun to me

You're the sun to me

You're the sun to meYou're the sun to me

You're the sun to me

You're the sun to me

You're the sun to me
