Outside View

Eater

I'm standing out in the street
As I turned the page that's when there was an outside view!
There's a television standing on the floor
And I complain to Spoons see I hate another Saturday night
I wanna come in cos I've got the blues
All and all this stuff this is an outside view[chorus]
Oh, I'm running around
Oh, got my feet on the ground
Oh, you hear up again?
Nothing to do, there ain't nothing to gain, na!I can't cancel all on sad one school night
Said another girl a difference to me
It's such a better coming round and run another view
I wanna stay out here with the outside view. Oh!
[chorus]
Aahhhh!
