# Shake

## Neal McCoy

Some men are attracted to a pair of big blue eyes
It takes a pretty face to make their temperature rise
Looks aren't that important
Just icing on the cake
What really turns me on is the shake

Shake it to the left
Shake it to the right
Come on baby you know what I like
Shake it real funky shake it real low
Shake it 'til you can't shake it no more
It's a natural attraction
Mother nature wouldn't make a mistake
What really turns me on is the shake

Eve first said to Adam
Which outfit do you like
The maple or the fig leaf
Now honey they both look nice
Clothes don't mean that much to me
Maybe you better go and ask the snake
And what really turns me on is the shake

Shake it to the left
Shake it to the right
Come on baby you know what I like
Shake it real funky shake it real low
Shake it 'til you can't shake it no more
It's a natural attraction
Mother nature wouldn't make a mistake
What really turns me on is the shake

(Shake it)

Gary, Indiana
Mobile, Alabama
Phoenix, Arizona
Bismarck, North Dakota
New York, L.A.
Houston, Tampa Bay

London, Tokyo
Everywhere you go

Shake it to the left
Shake it to the right
Come on baby you know what I like
Shake it real funky shake it real low
Shake it 'til you can't shake it no more
It's a natural attraction
Mother nature wouldn't make a mistake
What really turns me on is the shake
What really turns me on is the shake
