End Of Our Days

Howie Day

Here, where they can't find us
Tell them to call me up
I tell you, we met here on purpose
I bet they can't wait to wake us upIt's all a little bit strange
I know it's a little bit strangeMake a point and ignore them
Come on let's wait this out
They find that we never stop turning
And sometimes it's tough to change directionsI know it's a little bit strange
It's all a little bit strangeAt the end of our day, well I
Gonna say what I mean, well I
Slipping all away, away
At the end of our days
We'll escape, we'll escapeI know it's a little bit strange
It's all a little bit strangeAt the end of a day, well I
Gonna say what I mean, well I
At the end of a day, I
Gonna say what I mean, well ISlipping all away
Slipping all away
Slipping all away nowAt the end of our days
We'll escape, we'll escape
Oh there's no escape
We'll escape, right now
