Midnight Train

John Gonzalez

I'm going away
Far away from you
I'm Ieaving town, to find a love that's true
I'm on a midnight train and I'm never coming back again
You put me down for the last time
Now I'm done with you
You hurt my heart for the last time
Now I'm done with you
I'm on a midnight train and I'm never coming back again
I'm on a midnight train and I'm never coming back again
I'm gonna throw out you're memorie
Let the smoke faded out
Cuz you hurt my heart for the last time
Now I'm done with you
I'm on a midnight train and I'm never coming back again
I'm on a midnight train and I'm never coming back again
I'm on a midnight train and I'm never coming back again
