

# Regular Girl

[Delly Ranks](#)

[Verse: Tyga]Picture Life In The Movie Frame  
Smiles In Your Face But Every Body Fake  
Tryna Claim A Role, Acting On The Stage  
The World Wanna Show And We All The Play  
Just To Say, Why Didn't You Want Me Yesterday  
I Blacked Out, Got Some Change, Now They Feeling Me  
Couple Chains, Gold Chains On, Mr Tee  
They See Me Low Key So Nxgga Don't Bother Me  
I Wanna Relax With Some Time, All Just For Me  
Cause Lately I Been Meeting Girls, Chasing Me  
Wanted The Spotlight, Damn She Spotted Me  
Dang You Bad Baby, Let Me Tell You One Thing  
[Chris Brown & Tyga:]You Got It (I Like How You F; aunt it)  
And I Need It (I Really, Really Want It)  
Can I Get (Oh)  
Your Love  
Girl I'm On It (I'm Really, Really On It)  
Til Morning (I Be Up In the Morning)  
What I Gotta Do To Make You (I Just Want This)  
[Chorus:]I Want A Regular Girl  
Want A Regular Girl [x2]  
I Want A Regular Girl  
Want A Regular Girl [x2]  
  
I Want A Regular Girl  
Want A Regular Girl [x2]  
I Want A Regular Girl, When I Get Home Yea  
[Verse: Chris Brown]The Fame Don't Mean Nothing, Neither Does The Money  
I Just Want My Friend Right Here With Me  
The Light Will Fade Away, No Matter How Hard I Grind  
Today Ain't The Day, So I'm Just Gonna Live My Life  
All Day Long, Same Shit Different Video  
All Them Silly Games, I Don't Wanna Play No More  
[Chris Brown & Tyga:]You Got It (I Like How You Flaunt it)  
And I Need It (I Really, Really Want It)  
Can I Get (Oh)  
Your Love  
Girl I'm On It (I'm Really, Really On It)  
Til Morning (I Be Up In the Morning)

What I Gotta Do To Make You (I Just Want This)

[Chorus:]I Want A Regular Girl

Want A Regular Girl [x2]
