

In the Rim

Omnium Gatherum

Strain of life begun
To live the day for you
Each moment became heavier
Than the last one
The wrong way accused
And not to blame for not being free
'Everyone is out to get you
Everyone except you'Feeling
Control
Silence
Is only a dream now
Dream now
What have you not tried
Why haven't you tried
To see for yourself
Who dwells inside
There beyond excuses
There beneath the waves
And above burns the sun
Below, a burning oneFeeling
Control
Silence
Turns into a dream now
Feeling
Control
Silence
Dream now
The greater the blame
If the fire is burning like
Ashes in the rainThe greater the blame
If the fire is burning like
Ashes in the rainAll want to win
Here in the rimAll want to win
And all need to lose
Here in the rim
Here in the rimAll want to win
Here in the rimThe greater the blame
If the fire is burning like
Ashes in the rainThe greater the blame

If the fire is burning like

Ashes in the rain
