Song Dance

Pavlov's Dog

Teach me a song and I'll dance for you
And I won't mind what you're playing
We must get high for a song dance tonight
It's morning now
I want to show you how
Got to keep on moving, running to the soundsWell, I might not want you on my troubled times
Strange things passing far behind you no, no, no,
'Cause all you rhythm and blues
But now I would never play a tune for you
It's morning now
I want to show you how
Got to keep on moving, running to the soundsThe rhythm is a song dance
Rhythm is a song dance
Rocking to a song danceTeach me a song, I'll dance for you
I won't mind what you're playing for me
I must give my first song
It's morning now
I want to show you how
Got to keep on moving, running to the sounds
