## Handlebars

## **Flobots**

I can ride my bike with no handlebars No handlebars, no handlebars I can ride my bike with no handlebars No handlebars, no handlebars Look at me. look at me Hands in the air like it's good to be Alive and I'm a famous rapper Even when the paths are all crookedy I can show you how to do-si-do I can show you how to scratch a record I can take apart the remote control And I can almost put it back together I can tie a knot in a cherry stem I can tell you about Leif Ericson I know all the words to "De Colores" And "I'm Proud To Be An American" Me and my friend saw a platypus Me and my friend made a comic book And guess how long it took I can do anything that I want, ?cause look I can keep rhythm with no metronome No metronome, no metronome And I can see your face on the telephone On the telephone, on the telephone Look at me, look at me Just called to say that it's good to be Alive in such a small world I'm all curled up with a book to read I can make money, open up a thrift store I can make a living off a magazine I can design an engine Sixty four miles to a gallon of gasoline I can make new antibiotics I can make computers survive aquatic conditions I know how to run a business And I can make you wanna buy a product Movers, shakers and producers Me and my friends understand the future I see the strings that control the system

I can do anything with no assistance ?Cause I can lead a nation with a microphone With a microphone, with a microphone And I can split the atom of a molecule Of a molecule, of a molecule Look at me, look at me Driving and I won't stop And it feels so good to be alive and on top My reach is global, my tower secure My cause is noble, my power is pure I can hand out a million vaccinations Or let 'em all die in exasperation Have 'em all healed of their lacerations Have 'em all killed by assassination I can make anybody go to prison Just because I don't like 'em And I can do anything with no permission I have it all under my command Because I can guide a missile by satellite By satellite, by satellite And I can hit a target through a telescope Through a telescope, through a telescope And I can end the planet in a holocaust In a holocaust, in a holocaust In a holocaust, in a holocaust In a holocaust! I can ride my bike with no handlebars No handlebars, no handlebars I can ride my bike with no handlebars No handlebars, no handlebars
