Porn

leah andreone

Joseph Graham gave me all I want
In a language I can't understand
Just a smile in a parking lot
I turned the page and his sister was thereSister girl, will you rescue me
Be my friend in my fantasy?
I'm tired of Joe you know, he don't know
The things a girl knows, a girl needsIt's subterfuge in action
I give them life
They give me passionPorn, when I'm all alone at home
Porn, when I'm talking on phone
Porn, when I'm tired of sleeping
Porn, porn, porn, pornPretty boy, is this what I need?
I need you to need me
Take the stance, you'd do anything
You'd do anything for meTommy's on page 24 and Mike's on 43
I know them well
'Cuz we share a room
I watch them while they watch meIt's subterfuge in action
I give them life
They give me passionPorn, when I'm all alone at home
Porn, when I'm talking on the phone
Porn, when I'm tired of sleeping
Porn, porn, porn, pornPorn, when I miss my family
Porn, when I want to be with you
Porn, when I'm tired of needing
Porn, porn, porn, pornPorn, when I'm all alone at home
Porn, when I'm talking on the phone
Porn, when I'm tired of sleeping
Porn, porn, porn, pornPorn, when I miss my family
Porn, when I want to be with you
Porn, when I'm tired of needing
Porn, porn, porn, pornPorn, when I'm all alone at home
Porn, when I'm talking on the phone
Porn, when I'm tired of sleeping
