Bring Me Back the Sun

PollyAnna

Good morning it's so cold out here
It's raining and thundering dear
The storm the only sound I hear
This morning I need you nearAnd if you knew my name
I'm sure you would have come
You'll hold my hand some day
I'll be your favourite songSo bring me back the sun
Baby bring me back the sun
Cause all this time I tried to find a silver line
A break of dawn
Bring me back the sun
Baby bring me back the sunGood morning where have you been?
Right after our worlds closed in
Did you even hear me call your name?
Cause I don't know if you feel the same
