

# Every Little Thing I Do

## Soul For Real

You are on my mind  
You are on my mind Every little thing I do you're on my mind  
The way I feel lately, it's driving me crazy  
Every little thing I do you're on my mind  
I can't get over you, I think about you all the time Can't you see what you do to me  
I think about you all the time  
My mind is hazy and I'm mixed up feeling crazy over you  
Let's not waste anytime Every little thing I do you're on my mind  
The way I feel lately, it's driving me crazy  
Every little thing I do you're on my mind  
I can't get over you, I think about you all the time Round and round I go, where I'll stop only you know  
I guess it's all in my mind  
Take your time think it over let me know  
What you wanna do, baby it's so good Every little thing I do you're on my mind  
The way I feel lately, it's driving me crazy  
Every little thing I do you're on my mind  
I can't get over you, I think about you all the time Every little thing I do you're on my mind  
You're on my mind, hey  
Every little thing I do you're on my mind  
You're on my mind Every little thing I do you're on my mind  
You're on my mind  
Every little thing I do you're on my mind  
You're on my mind, hey Every little thing I do you're on my mind  
The way I feel lately, it's driving me crazy  
Every little thing I do you're on my mind  
I can't get over you, I think about you all the time Every little thing I do you're on my mind  
The way I feel lately, it's driving me crazy  
Every little thing I do you're on my mind  
I can't get over you, I think about you all the time Every little thing I do you're on my mind  
The way I feel lately, it's driving me crazy  
Every little thing I do you're on my mind  
I can't get over you, I think about you all the time The way I feel lately, it's driving me crazy  
Every little thing I do you're on my mind  
You're on my mind, hey  
Every little thing I do you're on my mind  
You're on my mind, hey Every little thing I do you're on my mind  
You're on my mind, hey  
Every little thing I do you're on my mind  
You're on my mind, hey Every little thing I do you're on my mind

You're on my mind, hey  
Every little thing I do you're on my mind  
You're on my mind, hey  
Every little thing I do you're on my mind
