

Type A

Zebrahead

Shut up, I'm not like you
Back off, don't smother me
Fuck this, I see through you
Suffer me through Shut up, I'm not like you
Shut up, I'm not like you
Shut up, I'm not like you
Suffer me through Type A, fly away, don't lie I won't let you get the best of me
I won't let you get the best of me
I won't let you get the best of me
If I try, if I try Oh God, I can't stand you
Disappoint you with me
One day you'll come down too
Suffer me through Shut up, I'm not like you
Shut up, I'm not like you
Shut up, I'm not like you
Suffer me through Type A, fly away, don't lie I won't let you get the best of me
I won't let you get the best of me
I won't let you get the best of me
If I try, if I try Shut up, I'm not like you
Back off, don't smother me
Fuck this, I see through you
Suffer me through Oh God, I can't stand you
Disappoint you with me
One day you'll come down too
Suffer me through I won't let you get the best of me
I won't let you get the best of me
I won't let you get the best of me
If I try, if I try I won't let you get the best of me
I won't let you get the best of me
I won't let you get the best of me
I try, if I try
