Leave

Bianca Bonnie

Now day and all spin around
She treats u good
She held u down
She cooked your food
She made u smile
But u know u wanna leave
And I know u wanna leave

Cause she ain't ready like me
She don't fuck u she don't want u like me
She ain't touchin u kissin u pullin up like me
She don't give u what u need
She don't never let u breathe
She be cuffin lovin to have u beggin baby please oh
U love me and u know
About time u let her go
That's why u always wit me
Now where u at is where u really wanna be baby

She don't come around like me
She don't touch u she don't fuck u like me
That's why u like me
She don't hold it down like me
But u love her but u really wanna leave
I know u wanna leave (repeat 2x)
U been wit her for a long time
But the truth is that I stay up on ur mind

U ain't really happy who u frontin for
Remember when I met u - u told me that shorty wasn't yours
And know u wanna play games wit my mind
Tell me baby u fine
Tell me baby it's yours
When I know that u lie

I be up on my grind
So I ain't really got time
And u in love wit 2 chicks
Wish u could dip I know that u try

Know u really want me
Still want me try to keep quiet
Wanna keep shit low like no pixboy be quiet

Try to keep it low I wasn't wit it
Stop frontin know u want it u could get it
I'm coming baby call me when your ready
Ima be there whenever u need me

She don't come around like
She don't touch u she don't fuck u like me
That's why u like me
She don't hold it down like me
But u love her but u really wanna leave
I know u wanna leave (repeat 2x)
U been wit her for a long time
But the truth is that I stay up on your mind

Oohhh ooohh

U been wit her for a long time
But the truth is that I stay up on ur mind
I know u wanna leave I know u wanna leave
I know u wanna leave I said I know u wanna leave
I know u wanna I know u wanna I know u wanna I know u wanna I know u wanna leave boy I know u wanna leave
