

# The Champion In Me

## 3 Doors Down

You said that mountain's too high, you said that ocean's too wide  
I've heard all new beginnings started with an end  
Watch this journey I take, turn into something I make  
Please watch closely, you may not see this againCause I know I, I was born to be this way  
Everyday I try and I'll do everything that it takes  
To become the one what I've always wanted to be  
Watch right now and you will see the champion in me  
The champion in meWhen the others cower, I'm in my finest hour  
We are champions created by design  
While I remember falling, I hear these dreams keep calling  
I work so hard, so long, I'll take it what is mineCause I know I, I was born to be this way  
Everyday I try and I'll do everything that it takes  
To become the one what I've always wanted to be  
Watch right now and you will see the champion in me  
The champion in me  
Champion, champion in me, champion, champion
