

# Back To Manhattan

## Norah Jones

I'll go back to Manhattan  
As if nothing ever happened  
When I cross that bridge  
It'll be as if this don't exist  
I've a prince who is waiting  
And a kingdom downtown  
I'll go back to Manhattan  
As if nothing ever happened  
We don't have to speak at all  
I won't look in your eyes  
And I won't have to fall  
We don't have to speak at all

But Brooklyn holds you  
And holds my heart too  
What a fool I was to think  
I could live in both worlds  
We don't have to speak at all  
I won't look in your eyes  
And I won't have to fall  
We don't have to speak at all  
I should go back to Manhattan  
It's just a train ride away  
I know nothing 'bout leaving  
But I know I should do it today
