Mean Ole' World

B.B. King

One two three fourThis is a mean ole' world baby to live in all by yourself
I said a mean, mean, mean ole' world to live in all by yourself
When you can't get the woman you're loving
Because she's loving somebody elseI smile to keep from worrying and I laugh just to keep from crying
Smile to keep from worrying laugh just to keep from crying
Trying to keep the public from knowing
Baby, what I've got on my mindSomeday, baby when the blood runs cold in my veins
Someday, baby when the blood runs cold in my veins
You won't be able to mistreat me no more then, baby
'Cause my heart won't feel no pain
