Save Me (This Is An S.O.S.)

Helena Paparizou

I?ve been trying to find something
that was deep inside in me
Love ripped out my heart
and it left me behind
oh oh oh!
I'm still trying to breath
I'm still looking to find the key
to unlock this chest
So that I can be free

You know what I want, you know what I need
Somebody love me, somebody need me
You know what I want, you know what I need
Oh can you feel me?

Somebody save me, save me, save me
Can anyone save me, save me, save me, save me?
My heart?s in distress, this is an S.O.S
Can somebody save me, save me, save me?
Can anyone save me, save me, save me?
My heart?s in distress, oh! This is an S.O.S

Oh oh oh?
Oh oh oh?

I feel the wall's closing in
I need a break up begin again
I?m looking for light
and I?m waiting for my heart to mend

I know what I want, I know what I need
I want you to love me, I need you to need me
I know what I want, I know what I need
Oh can you feel me?

Can somebody save me, save me, save me?
Can anyone save me, save me, save me, save me?
My heart?s in distress, this is an S.O.S
Can somebody save me, save me, save me
Can anyone save me, save me, save me?

My heart?s in distress, oh! This is an S.O.S
