

Poor Man's Son

Survivor

Baby if you really love me
You had better understand
That the silver in your pocket
Ain't no measure of a man And though the fortunes of our fathers
We aspire to rise above
When you're born into a breed
You're signed in blood Im a poor man's son
Workin all night long
Got a bad guitar
And a simple song You're a rich man's daughter
Look at what you've done
You went and fell in love
With a poor man's son Baby, you were born in splendor
To a house of wealth and fame
Your mother was a spender
And you grew up on a stage And girl you could've loved for money
Could've fooled around for fame
But you went and took a chance
On the real thing Though the fortunes of our fathers
We aspire to rise above
When you're born into a breed
You're signed in blood Im a poor man's son
Workin all night long
Got a bad guitar
And a simple song You're a rich man's daughter, you're a rich man's daughter
Im a poor man's son, Im a poor man's son
Im a poor man's son, Im a poor man's son
Poor man's son, Im a poor man's son, Im a poor man's son Im a poor man's son
Im a poor man's son
Im a poor man's son
Im a poor man's son
