Poor Man's Son

Survivor

Baby if you really love me

You had better understand

That the silver in your pocket

Ain't no measure of a manAnd though the fortunes of our fathers

We aspire to rise above

When you're born into a breed

You're signed in bloodIm a poor man's son

Workin all night long

Got a bad guitar

And a simple songYoure a rich man's daughter

Look at what youve done

You went and fell in love

With a poor man's sonBaby, you were born in splendor

To a house of wealth and fame

Your mother was a spender

And you grew up on a stageAnd girl you could've loved for money

Could've fooled around for fame

But you went and took a chance

On the real thingThough the fortunes of our fathers

We aspire to rise above

When you're born into a breed

You're signed in bloodIm a poor man's son

Workin all night long

Got a bad guitar

And a simple song Youre a rich man's daughter, youre a rich man's daughter

Im a poor man's son, Im a poor man's son

Im a poor man's son, Im a poor man's son

Poor man's son, Im a poor man's son, Im a poor man's sonIm a poor man's son

Im a poor man's son

Im a poor man's son

Im a poor man's son
