Running

John Newman

A hundred years, two thousand miles
To you I'd run through day and night
We've got to finish what we started
We've got a lot to rescue darlingMy shirt is torn, the shoes are worn
My birth's been drawn but still I'm strong
I feel like I'm a force of nature
But guess who made you my creatorTrying stop a river when it wants to rise
Trying to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no no[Chorus]
And I keep... keep running
I keep keep running
I keep keep coming back for more, no no
Keep running
I keep keep running
I keep keep coming back for more, noI've got to tell you know I've crossed the time
I've crossed through time
And giving up never crossed my mind
I feel like I'm a force of nature
But guess who made you my creatorTrying stop a river when it wants to rise
Trying to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no noAnd I keep... keep running
I keep keep running
I keep keep coming back for more, no no
Keep running
I keep keep running
I keep keep coming back for more, no
Yea I keepTrying stop a river when it wants to rise
Trying to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no noAnd I keep... keep running
I keep keep running
I keep keep coming
Keep running
I keep keep running
I keep keep comingAnd I keep... keep running
I keep keep running
I keep keep coming back for more, no no

Keep running
I keep keep running
I keep keep coming back for more, no
