

Buck Rogers (Chris Tyler Remix)

Feeder

He's got a brand new car
Looks like a jaguar
It's got leather seats
It's got a CD playerBut I don't wanna talk about it anymoreI think we're gonna make it
I think we're gonna save it
So don't you try and fake it
Anymore, anymoreWe'll start over again
Grow ourselves new skin
Get a house in Devon
Drink cider from a lemonBut I don't wanna talk about it anymoreI think we're gonna make it
I think we're gonna save it
So don't you try and fake it
Anymore, anymoreI think we're gonna make it
I think we're gonna save it
So don't you try and fake it
Anymore, anymoreHe's got a brand new car
He's got a brand new carI think we're gonna make it
I think we're gonna save it
So don't you try and fake it
Anymore, anymoreI think we're gonna make it
I think we're gonna save it
So don't you try and fake it
Anymore, anymore
