

# I Love You

## Lil Cuete

Clint G (Intro):  
Uuuuuooohh yeah  
I love you (yeeaahh)  
Listen

Clint G (Chorus):  
I really hate  
To see you crying girl  
With those tears  
Running down your face  
I'm gonna miss the times  
I spent with you  
Cause nobody  
Can take your place  
I love you (I love you)  
I don't want this to be  
Just a memory  
I love you  
But now I gotta watch you leave  
Yeah

Lil Cuete:  
Now I gotta watch you leave  
Now I gotta watch you go  
But I gotta tell you something  
I just gotta let you know  
I'm still in love with you  
Even though I'm being with her  
We both know that's true  
Me and you  
Never go and be the way we were  
You always keeping secrets  
I know I keep some too  
I didn't wanna see ya  
Girl you know you're really  
Gonna miss me too  
Let me wrap my arms around you girl  
Let me kiss your lips one more time  
You know I like when we kick it girl

But I gotta put my past behind  
Never gonna get you out my mind  
You're the one i think about  
When I'm with her  
But as soon as you come back  
I know you getting on my nerves  
So I gotta chuck it up  
It's nothing but a lesson learned  
So me and you  
Let's stay together  
Baby girl yeah that's what i wish  
But it won't happen  
So baby don't cry  
Gimmie one last kiss

Clint G (Chorus):  
I really hate  
To see you crying girl  
With those tears  
Running down your face  
I'm gonna miss the times  
I spent with you  
Cause nobody  
Can take your place  
I love you (I love you)  
I don't want this to be  
Just a memory  
I love you  
But now I gotta watch you leave  
Yeah

Lil Cuete:  
I know it's hard on you  
And shoot  
It's gonna be hard on me  
But I gotta do  
What a man's gotta do  
Baby girl and watch you leave  
Never wanted to lose you girl  
Always wanted you in my life  
Didn't even know what happened to us  
I thought everything was right  
I always tried my best  
To make you feel just like a queen  
I gave you everything

So why didn't I feel like a king?  
Now i gotta learn to watch you leave  
Even though I never thought  
I'd see you walk away  
You're always in my heart  
But baby girl you just can't stay

Clint G (Chorus):  
I really hate  
To see you crying girl  
With those tears  
Running down your face  
I'm gonna miss the times  
I spent with you  
Cause nobody  
Can take your place  
I love you (I love you)  
I don't want this to be  
Just a memory  
I love you  
But now I gotta watch you leave  
Yeah

Clint G (Outro):  
Now I gotta watch you leave  
Now I gotta watch you leave  
I gotta watch you walk away  
Aaaaooouuhhhh  
I really hate  
To see you crying girl  
With those tears  
Running down your face  
I'm gonna miss the times  
I spent with you  
Cause nobody  
Can take your place  
I love you (I love you)  
I don't want this to be  
Just a memory  
I love you  
But now I gotta watch you leave  
Yeah
